

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

### About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

INDEX TO PERIODICALS  
OF 1898.

## CONTENTS.

	PAGE
INDEX TO PERIODICALS . . . . .	I
INDEX TO GENERAL LITERATURE . . . . .	153
AUTHOR-INDEX . . . . .	181
BIBLIOGRAPHIES . . . . .	259
NECROLOGY . . . . .	271
INDEX OF DATES TO PRINCIPAL EVENTS . . . . .	277

The INDEX TO GENERAL LITERATURE and the AUTHOR INDEX contain title entries to all 30 volumes of "The Library of the World's Best Literature," edited by Charles Dudley Warner, which have been published at intervals, 1896-98.

The INDEX OF DATES practically serves as an index to the files of any newspaper.

# LIST OF PERIODICALS INDEXED.

\* These volumes are not entirely included, as they cover more than the year 1898. In a few other cases the volumes given do not exactly coincide with the year, but the indexing is for the year 1898, irrespective of the volumes. The number of volumes indexed for 1898 is 222, representing 137 publications.

\*\* The Studio, London, vols. 13-16, corresponds almost exactly with this set.

## COLLABORATORS.

WM. I. FLETCHER, Editor . . . . .	Librarian Amherst College, Amherst, Mass.
PROF. HERBERT B. ADAMS . . . . .	Johns Hopkins University, Baltimore, Md.
GRACE ASHLEY . . . . .	Assistant City Library, Springfield, Mass.
WILLARD AUSTEN . . . . .	Assistant Librarian Cornell University, Ithaca, N. Y.
JAMES BAIN, JR. . . . .	Librarian Public Library, Toronto, Ont.
SILAS H. BERRY . . . . .	Librarian Y. M. C. A., N. Y. City.
WALTER S. BISCOE . . . . .	Librarian [Catalog Dept.] State Library, Albany, N. Y.

- Zorrilla**, José y Moral. Warner Lib. 27: 16325.

# AUTHOR-INDEX.

1898.

# AUTHOR-INDEX.

1898.

This index gives author references to both the PERIODICAL and the GENERAL LITERATURE Indexes for the year 1898.

Entries in SMALL CAPITALS refer to books covered by the Essay Index, while entries in *Italics* refer to papers included in such books in cases where different authors are represented in the same book. Entries in ordinary type refer to periodical articles.
